Dear Ms. Mlambo-Ngcuka,

Re: Complainants against UN Women in South Africa

The Wise Collective has been approached to engage on a complaint lodged against the UN Women offices in South Africa. Allegations of discrimination, maladministration, and gross human rights violations have been leveled against the UN Women office in South Africa. We view such in a serious light and are duty bound to respond. We therefore request an urgent meeting between ourselves and your office, to address and attend to these allegations and hopefully find a resolution for the benefit of all parties involved and affected.

Thank you in advance for your consideration and urgent attention to this matter; we look forward to hearing from you soon. You may also contact our Executive Assistant via email at admin@wise4afrika.org to facilitate a suitable meeting time for us to attend to this matter.

Sincerely,

Brenda Madumise-Pajibo
